BROWARD COUNTY, FLORIDA
Florida’s Powerhouse Port
Cruise (FY2016)

- 3.82 million passenger
- $55.3 million in revenues
CBP
Border Control

Federal Inspection Services

PORT EVERGLADES
Broward County - Florida

Florida's Powerhouse Port
Automated Passport Control

“Self Service “ Border Entry

Port Everglades
GROWRARD COUNTY — FLORIDA
Florida's Powerhouse Port™
Automated Passport Control

- Based on technology used in airports throughout the U.S.
- Biometrics required for all travelers except for U.S. and Canadian citizens
CBP “559” Program

- Allows ports to fund additional CBP officers on overtime for “surge” needs
- Use limited by staff availability and overtime ceilings
- Designated cruise line staff with ordering authority

TWIC Implementation Challenges for Cruise Operations

- Fixed vs Portable readers
- Large number of entry points to secure areas at cruise terminals
- Who pays?
