# AMERICAN TRUCKING ASSOCIATIONS

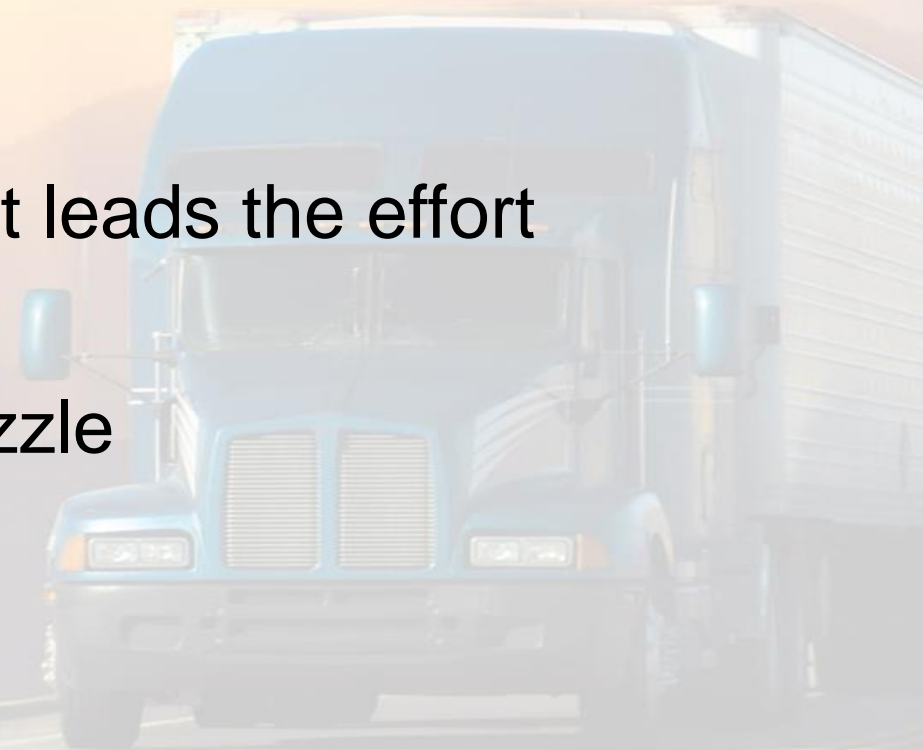

- ATA Infrastructure Task Force
- Build America Proposal
- Getting Started.....

## Predictions:

- Unique moment - chance if the President leads the effort
- If there isn't real funding, the effort will fizzle

## Predictions:

- If there is revenue, two options:
  - An increase in the current user fee, or
  - Everything else – Bold Act, VMT, offsets
- Most simple, conservative, efficient mechanism is the Gas Tax

## Build America Fund:

- \$0.20 increase at terminal rack

- Three goals with funds raised:

1. Pay our bills – fix the Highway Trust Fund
2. Invest in major current projects – National Priorities Plan
3. Begin to invest in the future – formula funds to all states
