PORTS OF INDIANA
3 PORTS - 2 WATERWAYS - 1 SYSTEM

The screenshot shows the official website of the Ports of Indiana. At the top is a large banner image of a port facility with a ship docked. Below this is a navigation bar with links: HOME, CALENDAR, CONTACT US, LINKS, SITE MAP, and HELP. The main content area is divided into several sections. On the left is a sidebar menu with categories like 'Ports of Indiana', 'Newsroom', 'Business & Services', and 'Bulletin Board'. The main content area features a 'News' section with a headline 'Port of Indiana welcomes first ocean vessel of 2012' and a photo of a large ship. Below the news is a 'Select a Port' section with a map of the United States and a 'Click to zoom in' button. On the right side of the page, there is a large graphic with the number '3' and the text 'Ports'. Below this is a section titled 'Why the Ports of Indiana?' with a quote from Dan Frick, Frick Services, Burns Harbor. At the bottom right, there is a link to 'Visit the Port Companies'.

April 19, 2012

News Thursday, April 19, 2012

Port of Indiana welcomes first ocean vessel of 2012

The Port of Indiana-Burns Harbor welcomed Indiana's first international ship of 2012 with the arrival the MV Isadora, a Polsteam vessel. The ship traveled from Ijmuiden, Netherlands, carrying roughly 10,000 tons of steel coils to the port.

Why the Ports of Indiana?

"Operating a bulk warehouse with access to water allows us to market our storage and handling services to many companies. Any potential customer who can ship bulk commodities by water readily sees the advantages of the port as a distribution point."

Dan Frick,
Frick Services,
Burns Harbor
