ANDRÉANE BÉLANGER

- / CHARGÉE DE PROJET
AUX INFRASTRUCTURES
ET INGÉNIEURE
- / 3 ANS DE SERVICE

« Le fait que le port soit propriétaire de ses infrastructures amène une diversité de projets qui font en sorte que j'apprends chaque jour. La variété de projets et les différentes parties prenantes impliquées font en sorte que mon travail se renouvelle constamment, ce qui est grandement motivant. »
