

AAPA Requests for WRDA 2020

Jim Walker

April 1, 2020

Water Resources Development Act Requests

1. Full HMT funding solution
2. Benefit-to-Cost (BCR) Ratio for Locally Preferred Plan (LPP)
3. Utility Relocations for Navigation Channel Improvement Projects
4. Mitigation Banks – Expedited Reviews
5. Dredged Material Placement Facilities
 1. Clarify minor dike work is maintenance
 2. Dike major rehab due to Corps neglect not cost shared
 3. Project Sponsor placement capacity based on construction cost

Water Resources Development Act Requests

6. 'Assumed for Maintenance' equal to 'Authorized' Project
7. Seismic Benefit Determinations
8. Study of Water Resource Development Projects by Non-Federal Interests
9. Construction of Water Resource Development Projects by Non-Federal Int.
10. Remote and Subsistence Harbors
11. Nominal Depth – MLLW vs MLT

Summary

- **Need all Ports to support HMT language in WRDA**
- **Support WRDA passage in 2020**

Thanks for all you do!
