3. ANNUAL REPORTS

Annual reports provide a summary of a particular port authority’s major developments and management decisions during that year, and may include an annualized financial accounting (optional). You must complete the questions on this page for each entry and include a printed copy of the annual report submission (for judging and display purposes) and a high-resolution electronic image (see Electronic Images for details) that best depicts it for publicity purposes. Please be brief, but use as many pages as you feel is necessary to answer the questions.
