---

---

Successful candidates are expected to attend the Executive Management Conference and the Marine Terminal Management Training programs as a class and, to the degree possible, attend the other five required courses as a group. Listed below is the planned schedule of core courses to be taken together over a four year period.

### CORE SEMINARS/CONFERENCES (ALL REQUIRED)

<u>Year</u>	<u>Topic Area</u>	<u>Year</u>	<u>Topic Area</u>
2010	Executive Management Conference	2012	Harbors, Navigation & Environment
2010	Finance Seminar	2012	Marine Terminal Management Training
2011	Facilities Engineering	2013	Security
2011	Public Relations		

Listed below are the elective courses and the years generally offered. Candidates may choose any three elective seminars.

### ELECTIVE SEMINARS (ANY THREE REQUIRED)

#### Topic Area

Cruise (offered odd years)  
National Defense (no set schedule)  
Port Administration & Legal Issues (odd years)

#### Topic Area

Maritime Economic Development (even years)  
Operations, Safety, & Info Tech (odd years)  
Port Property Mgt & Pricing (no set schedule)

*One of the elective requirements may be fulfilled by successful completion of a relevant non-AAPA seminar or training program, such as those sponsored by the Seatrade Organization, the International Association of Ports & Harbors, the Association of Canadian Port Authorities, the Economic Commission for Latin America and the Caribbean (ECLAC), the Council of Logistics Management, the International Navigation Organization (PIANC) and the University of New Orleans, but only with the express consent of the Curriculum Committee.*

AAPA Technical committee(s) on which active participation is planned:

*(Please check appropriate committee(s) below.)*
