

AAPA COMMISSIONERS SEMINAR

Palm Beach, Florida

“Update On Key Issues Impacting Ports”

Kurt Nagle, President & CEO

June 20, 2007

Alliance of the Ports of Canada, the Caribbean, Latin America and the United States

Balancing Projected Trade Growth With Other Challenges

The overarching question:

How do we handle projected trade growth given the range of challenges facing ports today?

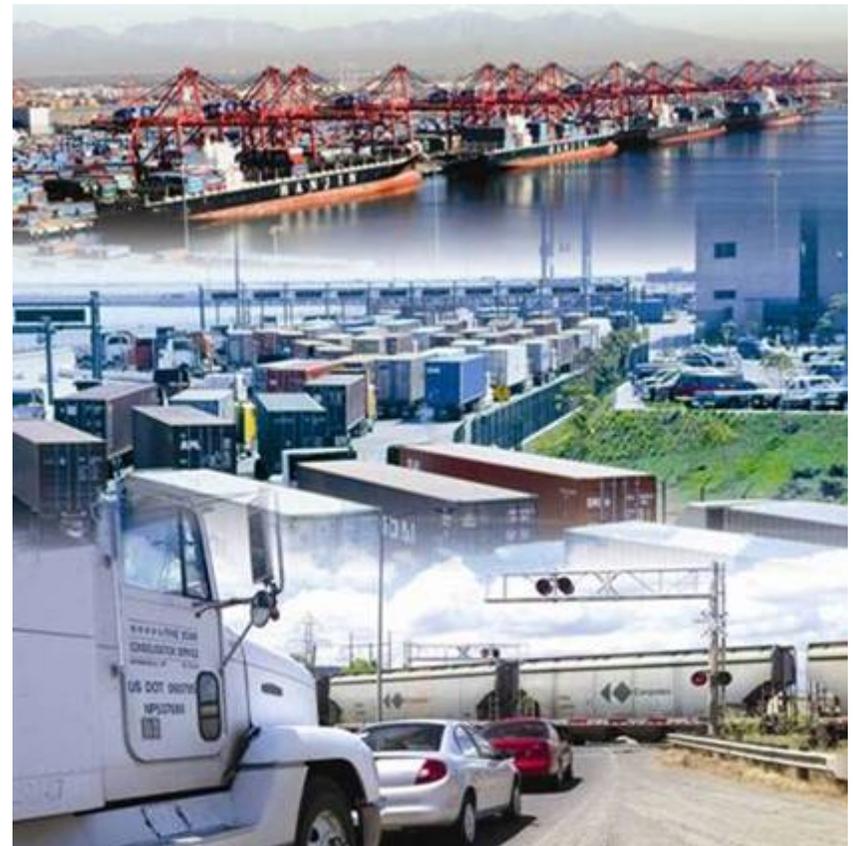

What's Happening...

Freight Transportation Infrastructure

- "Inside the Gate"
- Landside Connections
- Waterside Infrastructure

Port Security

Environmental Issues

Freight Transportation Infrastructure
