Technical Assistance and Networking...

The screenshot displays the AAPA website's 'Committees and Networking' page. At the top, the AAPA logo and name are visible, along with a search bar and navigation links. A member login section is present, featuring input fields for 'Member Login' and 'Password', and a 'Forgot password?' link. A horizontal menu lists various site sections, with 'Committees & Networking' highlighted. Below the menu, a breadcrumb trail shows 'Home > Committees and Networking > Committees and Networking > Pages'. The main content area is titled 'Committee Web Pages' and lists a series of committee categories with blue hyperlinks. On the right side, there are links for 'Print This Page' and 'Email This Page', and a vertical sidebar with a green background containing the same 'Committees and Networking' menu items. At the bottom right, a blue and white banner advertises the 'XVI CONGRESO LATINOAMERICANO DE PUERTOS' from April 23 to 27, 2007, in Rosario, Argentina, with the website www.aapasrosario.com.ar and language options.

[Roster](#) | [e-Community](#) | [Awards Program](#) | [Survey](#) | [Minutes & Presentations](#) | [Links](#)

Committee Mission

To monitor, collect and disseminate knowledge regarding the development of information technology, including but not limited to the areas of electronic data interchange, management information systems and other automation initiatives in the area of information technology undertaken by federal agencies and ports in AAPA member countries, as well as monitoring such initiatives throughout the world; and shall policy action to the Executive Committee or U.S. Legislative Policy Council as appropriate, and, at the request of the Executive Committee or U.S. Legislative Policy Council or the Chairman of the Board, shall represent the Association before entities concerned with legislation, regulation or standards.

Committee Roster

[Click here to view the committee roster](#) [PDF]

Committee e-Community

The committee's e-Community contains a news area, discussion forums, and a document archive containing committee documents and focused discussions on issues relevant to the committee's area of expertise.

[Click here to enter the e-Community](#) [PDF] (You must be logged in and a part of the committee to participate)

Information Technology Awards Program

The AAPA Information Technology Awards will highlight port technology accomplishments in the areas of "Port Operations and Management Systems" and "Improvements in Intermodal Freight Transportation." Participation is open to all corporate members of the association.

[Click here](#) for more information and to see the list of previous winners.

Port Technology Survey

The IT Committee has developed a Port Technology Survey for AAPA corporate members to both participate in and use as a reference.

[Click here to reach the links to complete the survey and view the results](#) [PDF] (You must be a corporate member)

PPTAP
PORT PROFESSIONAL TECHNICAL ASSISTANCE PROGRAM

PPTAP

AAPA

PPTAP

**PORT PROFESSIONAL
TECHNICAL
ASSISTANCE
PROGRAM**

Technical Assistance
for ports in need...

- Volunteer or sign up your port

Networking: A vast number of resources

- EMC is a strong foundation for building contacts in the industry that last
 - Invaluable relationships
 - Sharing information
 - collaboration

Knowledgeable Staff and Industry Contacts

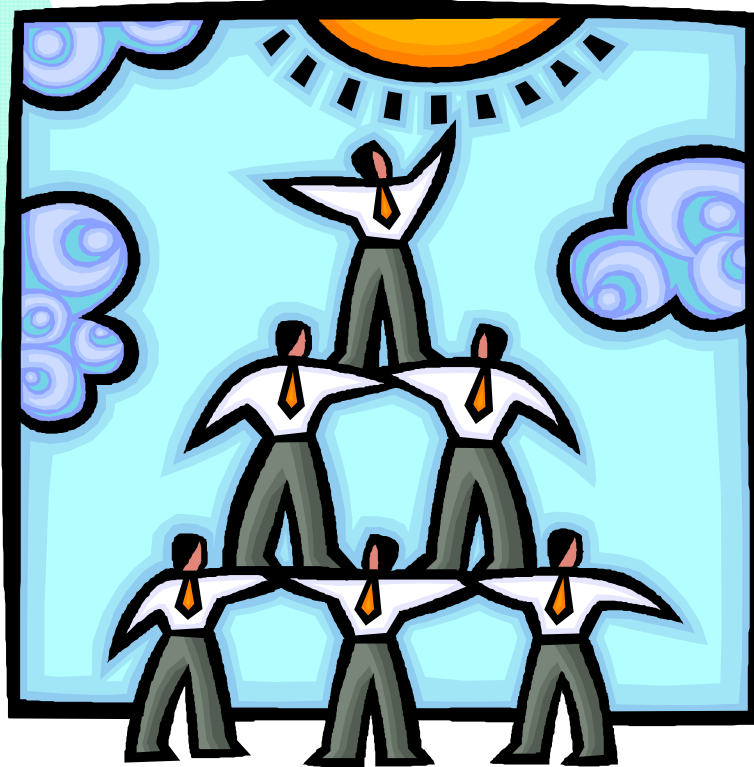

- Employees with years of experience and industry information
- Vast network of industry experts accessible through your participation in the Association

Five Examples of How We Can Help

Issue	Solution
1. Need to Write a Security Grant?	1. Attend an AAPA Grant Writing Workshop
2. Need employment/salary information?	2. Obtain AAPA's Salary Survey
3. Must update your Crisis Management Plan?	3. Emergency Management Handbook
4. Overwhelmed by trade growth projections?	4. AAPA Freight mobility/logistics initiative
5. Dealing with a new Governing Board?	5. Send them to the Commissioners Seminar

Meeting Challenges Through Cooperation

- AAPA creates the space for collaboration among ports
- Building Relationships that Last
- AAPA keeps you connected

AAPA is just a phone call away...
