

Port of Québec Authority

Port Leadership in the New Normalcy

Ross Gaudreault – President and CEO

*AAPA
May 2010*

PORT DE QUÉBEC

Port authorities More than wharves managers

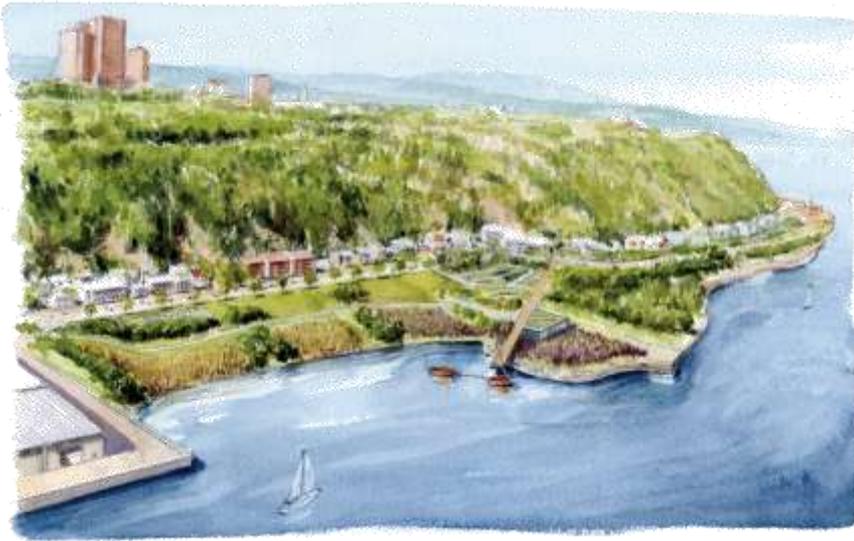

Pointe-à-Carcy Cruise terminal project

Pointe-à-Carcy

Cruise terminal project

«The key to successful leadership today is influence, not authority»

Federal legacy for the 400th anniversary of Québec city

Agora

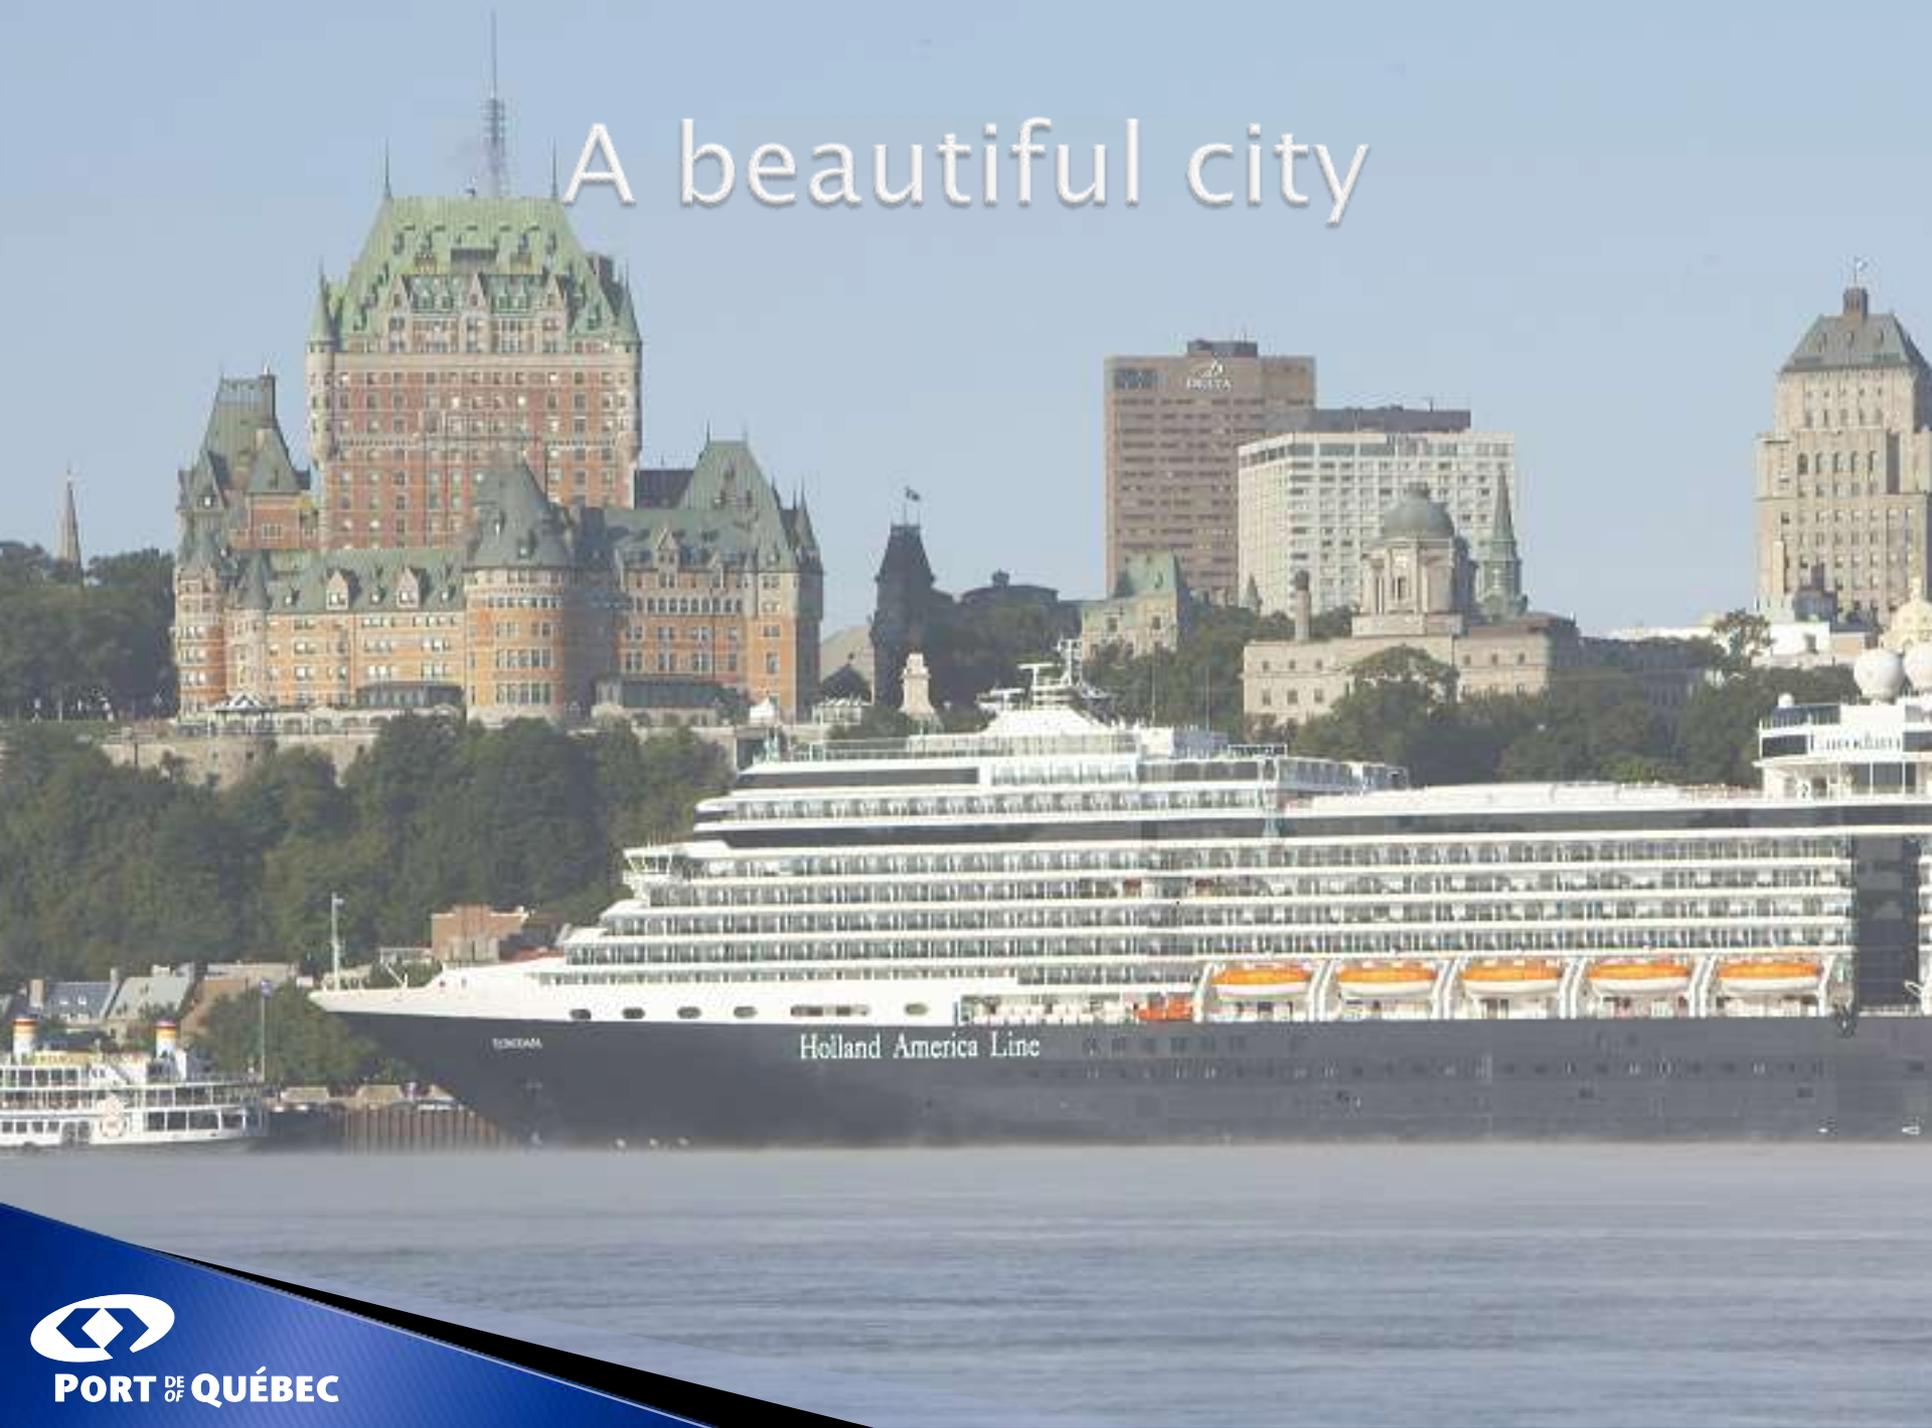

PORT DE QUÉBEC

Federal legacy for the 400th anniversary of Québec city

«I am a man of fixed and unbending principles, the first of which is to be flexible at all times» – Everett Dirksen

A beautiful city

PORT OF QUÉBEC

A very sensitive area....

We want a park...

... not a port!

The port as an added value for the
touristic profile of the city

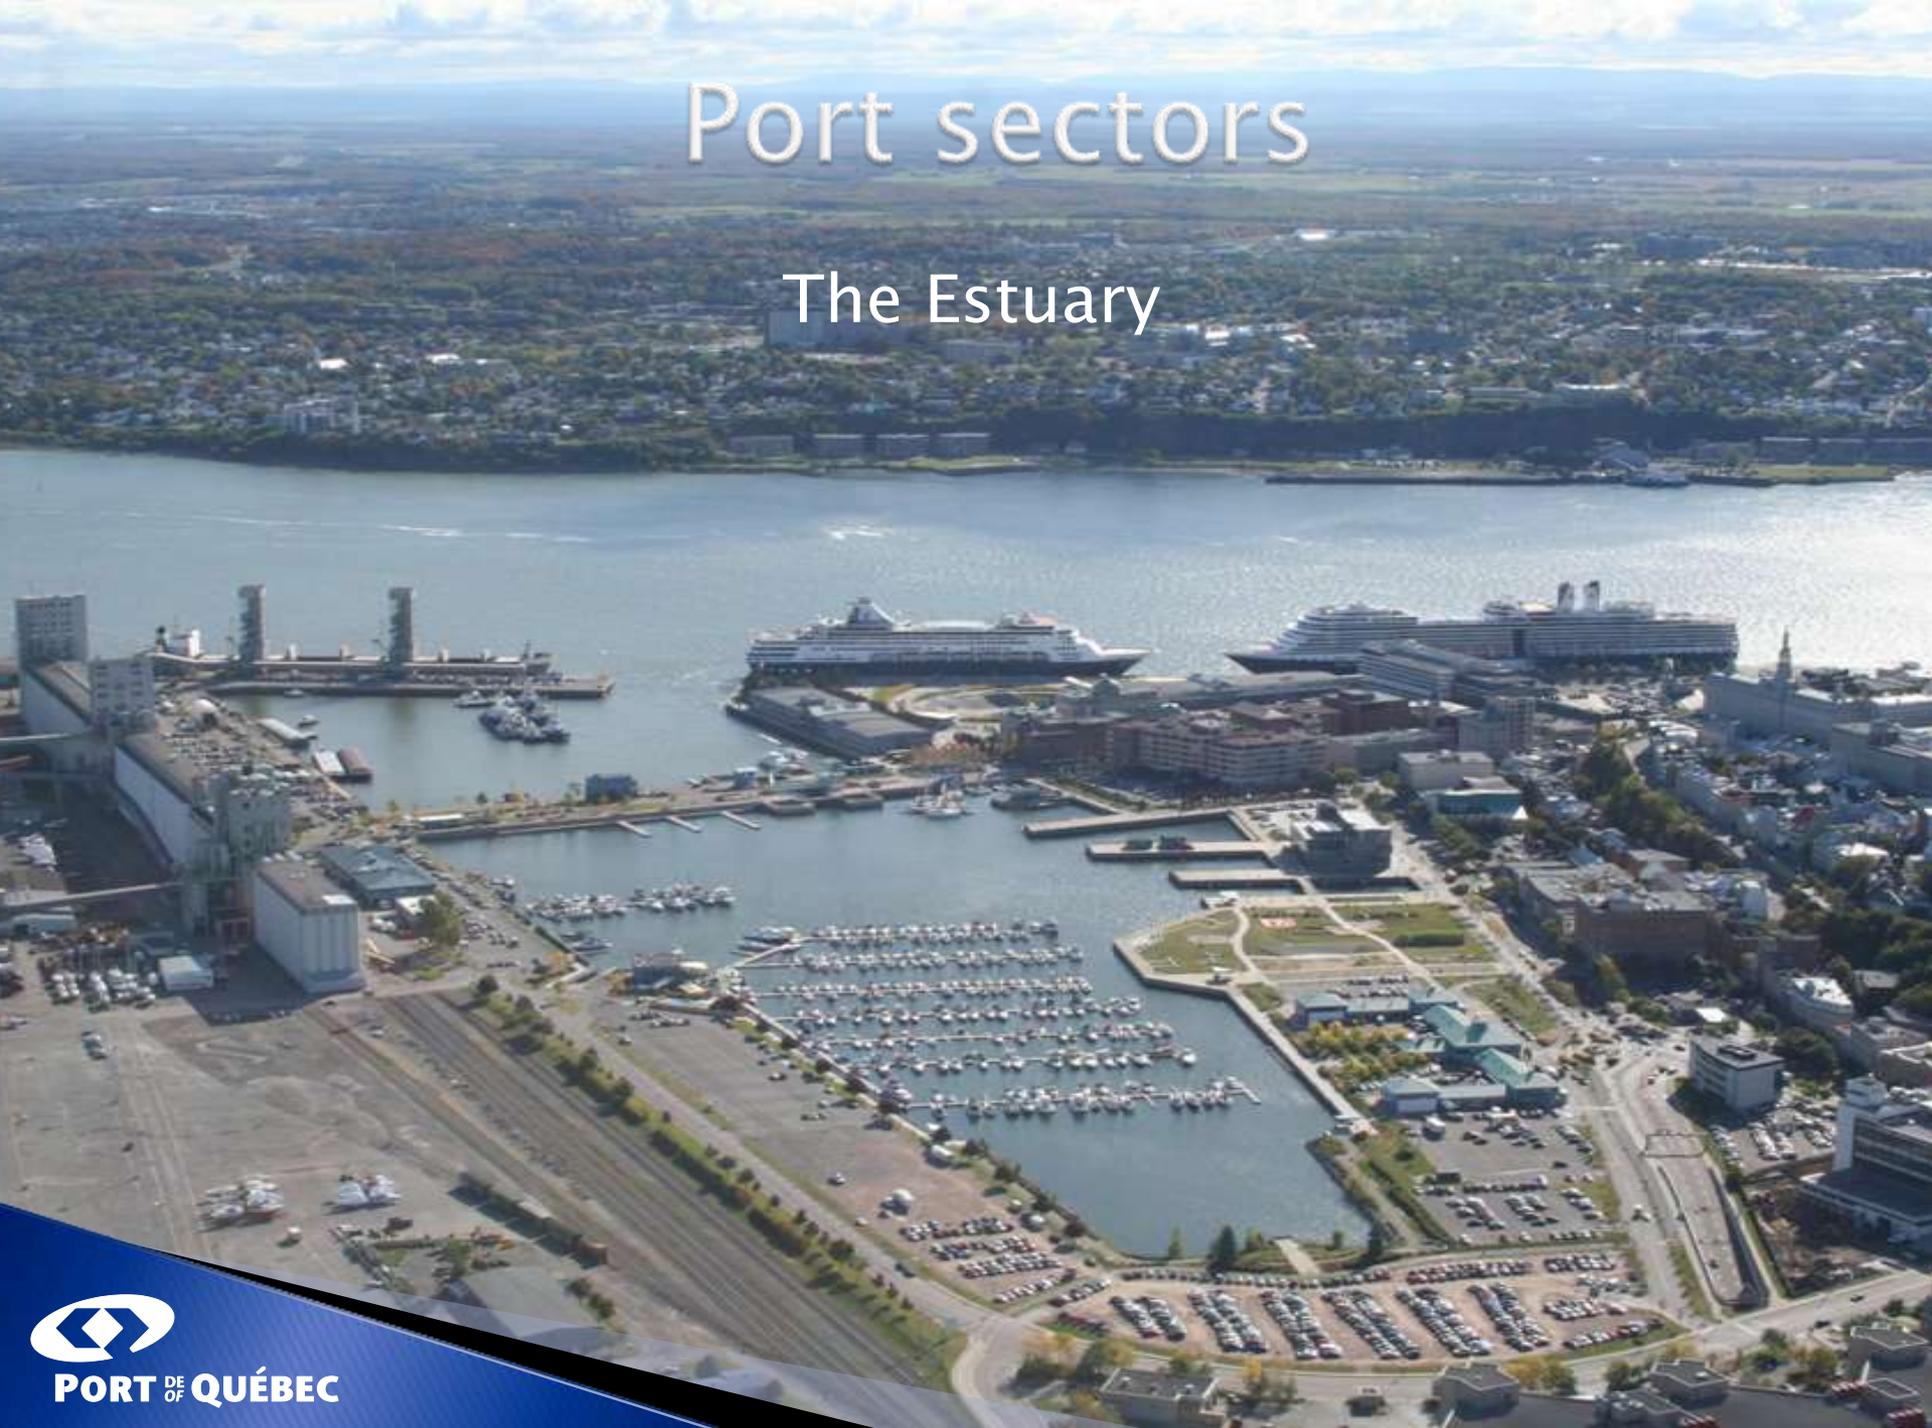

«The only safe ship in a storm is
leadership» – Faye Wattleton.

Port of Québec

- ▶ 210 hectares of land;
- ▶ 20% of those 210 hectares are dedicated to urban and recreational activities.
