FIRST CALL | MS AMSTERDAM

A woman with dark hair, wearing a black turtleneck and large hoop earrings, is speaking into a microphone. She is standing in front of a large window that offers a panoramic view of a coastal town and a large cruise ship docked at a pier. The scene is captured from an elevated position, likely a balcony or a high-rise building. The background shows a mix of residential buildings, a parking lot, and a large body of water with a prominent cruise ship in the distance. The sky is overcast.
