AAPA

2013 PORT SECURITY SEMINAR
AND EXPOSITION

July 17-19, 2013 ◆ Baltimore, MD

Plan to attend and/or exhibit at this hugely popular seminar addressing key security and safety challenges confronting public seaports. Topics are always timely and incorporate the latest regulatory updates as well as current industry trends.

- **Sequestration Impacts and Implications for Seaport Security**
- **Portal Monitors**
- **TWIC Issues and Challenges**
- **FSO Standards Update**
- **Port Security Grants**

- **Cyber Security Systems**
- **Active Shooter Scenarios**
- **Nationwide Suspicious Activity Reporting Initiative**
- **Emergency Response and Recovery: Superstorm Sandy Case Study**
