The Great Lakes – St. Lawrence Seaway is Canada's original Gateway, built to provide direct access to European Markets for Western Canadian Grain.

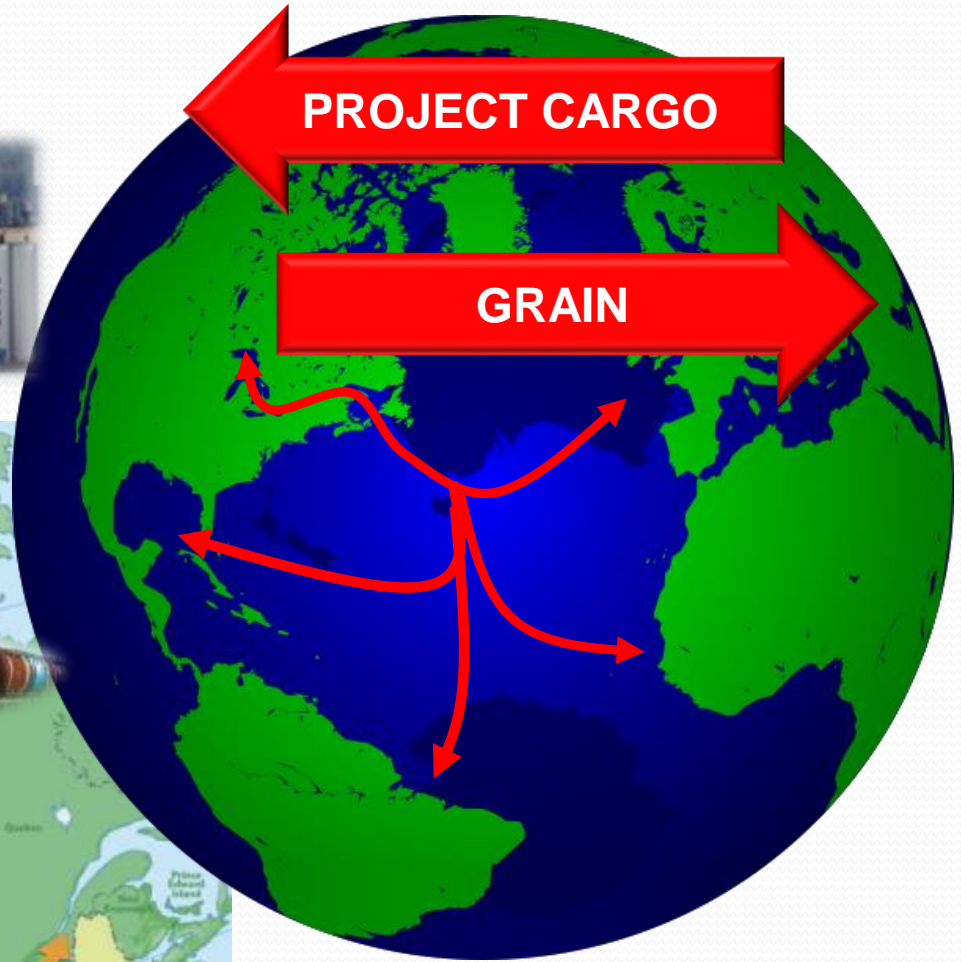

# THUNDER BAY PORT AUTHORITY STRATEGIC OBJECTIVES

# TWO-WAY CARGO

# THUNDER BAY PORT AUTHORITY

# PORT OF THUNDER BAY

# UNIQUE CHALLENGES

- 2,300 miles inland at the head of the Seaway
- Located at the geographic centre of Canada – remote at 450 miles to the nearest city
- Very limited resources – 5 staff members
- All revenues must be generated from operations

# THANK YOU
