

A satellite map of North America, showing the United States, Canada, and Mexico. A red star is placed in the upper Midwest region, specifically over Lake Superior, indicating the location of the Port of Duluth-Superior. The map uses color to represent elevation, with green for lower elevations and yellow/orange for higher elevations. The surrounding oceans are dark blue.

# Community Outreach Education

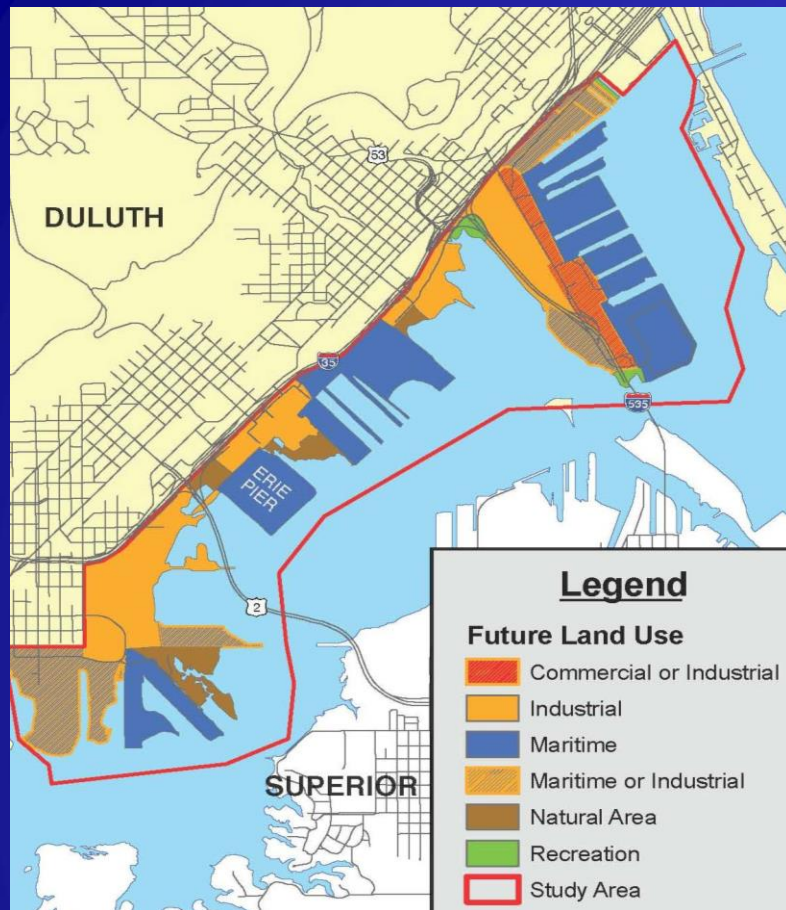

# The Port of Duluth-Superior

# HTAC

Duluth-Superior's Harbor Technical Advisory Committee is not your typical committee. It seldom makes headlines but always makes progress. It quietly goes about its business of helping shape decisions critical to the progress of the Port of Duluth Superior.

Proposed  
land-use plan  
for the  
working port

HTAC members consult maps on a fieldtrip aboard the research vessel *L.L. Smith*.

# No Room at the Intake

Duluth Seaway Port Authority takes a lead-role in dealing with environmental issues, dedicating considerable time and resources into improving and protecting the natural environment.
