

# Corps Streamlining

*Harbors and Navigation meeting  
Mobile, AL*

*Jim Walker  
AAPA Government Relations  
Director of Navigation Policy and Legislation*

**April 9, 2019**

# WRDA 2018

- Section 1102, Study of the Future of the Corps of Engineers
- Corps contract with National Academy of Sciences
- Impacts of transferring to another Federal agency
- Improving project delivery processes

# 2019 Energy and Water Appropriation

- July 30, 2018 DoD memorandum on actions the Army will take in support of Administrations proposed reorganization of the Civil Works program of the U.S. Army Corps of Engineers
- “Therefore, no funds provided in this Act or any previous Act to any agency shall be used to implement this proposal.”

# AAPA Legislative Policy Council

- Wants the Harbors and Navigation committee to make recommendations on streamlining processes to expedite the project delivery and reduce costs

# Potential Topics

- Contributed funds agreement – delegate to District Commander w/model agreement
- Clarify role non-Federal sponsor's role on release of Real Estate easements
- Pursue Section 408 guidance specific for Navigation – how is the revised guidance working?
- Notify interested parties when new policy is issued
- What else?
