

FY 2018 Port Security Grant Program

In FY 2018, the Port Security Grant Program (PSGP) provides \$100,000,000 for transportation infrastructure security activities to implement Area Maritime Transportation Security Plans and facility security plans among port authorities, facility operators, and state and local government agencies required to provide port security services. The intent of the FY 2018 PSGP is to competitively award grant funding to assist Ports in obtaining the resources required to support the development and sustainment of core capabilities identified in the National Preparedness Goal of a secure and resilient Nation.

The tables below specify the final awards under the FY 2018 PSGP:
