PORT OF VANCOUVER USA

• 800 acres of operating port – marine and industrial
• More than 50 industrial tenants
• 5 marine terminals; 13 shipping berths; break bulk
• 80% exports; 20% imports
EXTERNAL AFFAIRS

6 FTE overseeing: Government affairs, marketing, media relations, social media, economic development, and community outreach

- Dept. budget of $1.2 million (excludes salaries)
- Community outreach budget of $24,000 for port tours, outreach programs and special events
PORT TOURS

• 4 tours in 2014
• 6 tours in 2015
• 8 tours in 2016
• 10 tours in 2017

Each tour features a light meal, PowerPoint briefing, tour of marine terminal.

Approx. 40 people per tour. Some occasional special guests, i.e. port commissioner, Columbia River pilot.
OUTREACH PROGRAMS

Partner with other organizations to make our outreach dollars go farther

Right: SW Wa Contractors Assoc.
Left: Chamber biz awards dinner

Left: LCEP Science to Policy summit

WATERFRONT PROJECT
NEW IN 2016 – Christmas Ships

Monday, December 5 – 6:30-8:30 p.m.
Approx. 350 attendees
VANCOUVER ENERGY
PETROLEUM BY RAIL

- Largest proposed oil transfer terminal in North America
- Final stages of permitting and public process
- North American crude
- Railed to the port, then shipped for domestic processing in Alaska, California, Washington & foreign markets

- Four unit trains per day
- 360,000 barrels per day
- 22 million tons annually
- Loading one Panamax per day
OUTREACH LESSONS LEARNED

- Year 4 of a 1 year EFSEC process
- Concentration on 5 neighborhoods closest to the port – attend NA meetings frequently
- Invite critics to tour the port
- Coffee and lunches with critics
- Be welcoming at port meetings
- Practice listening skills and don’t take it personally! You want to be able to call these folks and maintain relationships long after.
PART OF THE COMMUNITY FOR 105 YEARS

Thank you!
