Now hearing from Project Delivery Manager Mark Newell for Agenda Item E-2: Change Order for public works contract for Centennial Industrial Park Lot 1 Building, #portvanboc
“Based on EFSEC’s recommendation, we aren’t surprised by the Governor’s decision to reject the Vancouver Energy project,” said port CEO Julianna Marler. “Our mission continues to be providing economic benefit to our community through leadership, stewardship and partnership in marine, industrial and waterfront development. We appreciate the Governor’s recognition of our important role in regional trade and we will continue to fulfill that role.”
We had an amazing time at the Columbia Springs Watershed Festival where we talked with more than 400 fourth graders from Vancouver Public Schools about our environmental program. We sent each kid home with binoculars so they can observe wildlife from their own back yard.

Don't spend your evening at gnome tonight! Trick or treat, and have a safe Halloween!

Happy Halloween!
Quick point of clarification: The port's commissioners voted 3-0 to direct CEO Marler to provide notice to Vancouver Energy that project approvals are required by March 31, 2018, or the lease will be terminated at that time. More details here:
