Emerging Trends in Port Financing

Mike Macaluso, CFO
PORT TAMPA BAY
January 31, 2018
• Covering over 5,000 acres, Port Tampa Bay is Florida’s largest port and one of the largest in the country. Approximately 2,500 acres are owned by the port with the rest owned by private entities.

• Port Tampa Bay is the largest economic engine in west central Florida, supporting over 85,000 jobs and generating over $17 billion in annual economic impact to the Tampa Bay area.

• The port handles a wide array of bulk, break bulk, containers and roll-on/roll-off cargoes, and is a major shipbuilding and repair center. Over 38 million tons of cargo passed through Port Tampa Bay in FY2017.

• In addition, Port Tampa Bay is a top 10 U.S. cruise port handling 961,000 passengers in FY2017.
