1 OVERVIEW

SECTION 1

1.1 PAYMENT AND REPORTING SYSTEM OBJECTIVE

The objective of this Guide is to familiarize you with the Payment and Reporting System (PARS).

This Guide is divided into the following five (5) sections:

**Section 1** provides an overview and objective of the Payment and Reporting System Guide.

**Section 2** covers step-by-step instructions on how to register into the Payment and Reporting System, the email notifications and signing in.

**Section 3** covers step-by-step instructions on how to make a payment request or view payment history.

**Section 4** covers step-by-step instructions on the SF269 submission or viewing and modifying status reports.

**Section 5** covers step-by-step instructions on how to change the password, email address and logout of the system.

**Section 6** provides an overview of the online help that is available.

**Section 7** provides an overview on passwords.

1.2 POPUP BLOCKERS

PARS uses pop-ups so check to make sure that the pop up blocker that you are using allows pop-ups for PARS.

1.3 GETTING STARTED

Type in the following web address https://isource.fema.gov/sf269/
The Payment and Reporting System screen is displayed.

Click on the word *here* to proceed to the user login page.
2 REGISTRATION

SECTION 2

2.1 REGISTRATION

All new users must register in order to gain access to the system. The Payment and Reporting System (PARS) allows users to either complete and transmit their quarterly SF269 report online or make payment requests online.

To apply for an online account, click on **Online Registration Process**.

There are four (4) sections to this screen. These sections are **Account Information, Grantee Information, Contact Information** and **Grant Verification**.
Section 1 - Account Information

All four fields in the Account Information section are mandatory and a system edit exists on the Vendor Number.

Enter the following data:

NOTE: Mandatory fields have an asterisk beside them.

Vendor Number – The Vendor Number must be the number assigned to you, as indicated on your grant award document.

NOTE: The vendor number must be the vendor that is associated to the grant that will be entered in Section 4.

Vendor Number............................................................. Enter Vendor Number

NOTE: If the Vendor Number is entered incorrectly, when the “Continue to Next Step” is selected an error will be displayed at the top of the screen in red
informing the grantee that the Vendor ID is incorrect. This field must be corrected in order to proceed to the next step.

**Email Address** – The email address entered must be valid. The system will generate and send an email for verification. This email address will be used to provide the user system generated notifications.

**Email Address** ..............................................................Enter Email Address

**Desired User Name** – The login to be used to access PARS. The user name must be at least three (3) characters and cannot exceed fifteen (15) characters.

**Desired User Name** ..............................................................Enter User Name

**Account Type** – There are two (2) options available. These options are **Used to File SF269 Reports** and **Used to Request Payments**.

**NOTE:** A user can only register under one account type.

**Account Type** ......................................................................Use the lookup to select the Account Type

![Figure 2.1-3 Section 2. Grantee Information](image)

**Section 2 - Grantee Information**

All fields are mandatory however; there are no edits in the Grantee Information section. It is up to the authorizing official to verify the data in these fields prior to approving.

Enter the following data:

**Organization Name** – The full name of your organization.

**Organization Name** ..............................................................Enter the Organization

**Address** – Address of your Organization.

**Address** .............................................................................Enter the Address

**City** – City where your organization is located.
Section 3 - Contact Information

All fields except the FAX number are mandatory however; there are no edits in the Contact Information section. It is up to the authorizing official to verify the data in these fields prior to approving.

Enter the following data:

**Title** – The title of the contact person (i.e., Mr., Mrs., Dr, etc.)

**First Name** – The contact person’s first name.

**Last Name** – The contact person’s last name.

**Phone Number** – The contact person’s phone number.

**FAX** - The contact person’s FAX number.
Section 4 – Grant Verification Information

Enter the following data:

**NOTE:** The following three (3) fields will be validated by the FEMA Administrator before your registration is approved.

**Grant Number** – A valid grant that is assigned to the vendor. The vendor can have numerous grants.

**NOTE:** Enter the Grant Number in all uppercase and as a 12 position alphanumeric string i.e., 2007ABCD0001. Do not use spaces or dashes i.e., 2007-ABCD-0001 or 2007-AB-CD-0001 or 2007 ABCD 0001.

**Grant Number** ............................................................... Enter the Grant Number

**Grant Start Date** – The start date of the Grant.

**Grant Start Date** ............................................................... Enter the Start Date

**Grant End Date** – The end date of the Grant.

**Grant End Date** ............................................................... Enter the End Date

To save the entry, press the **Continue To Next Step >>** button.

**NOTE:** When PARS has all the necessary information for registration, the Online Registration Completed screen will be displayed.

### 2.1.1 Errors

Errors will be displayed in red across the top of the screen.
Example

Please correct the following errors:

> Contact First Name Required
You have not entered a Contact First Name. Please provide a Contact First Name in the space provided.

> Contact Phone Number Required
You have not entered a Contact Phone Number. Please provide a Contact Phone Number in the space provided.

Figure 2.1-6 Errors

NOTE: If the Grant Number, Grant Start Date or Grant End Date is entered incorrectly no error will be displayed to the person registering. The approver will be notified that a registration has been attempted with invalid information.
2.1.2 Online Registration Completed

An Online Registration Completed screen is displayed with instructions on how to validate your email address.

2.1.3 Email Notifications

An email will be sent to the person registering to verify their email address.

4.1.1 Errors

There are many edits on SF269. The SF269 will not save if there is an error. An error message will be displayed detailing the error. Correct and resubmit. If you need assistance filing your SF269a, please contact the new Customer Service Center at 1-866-9ASKOGO (1-866-927-5646) or write to us at ask-ogo@dhs.gov.

4.2 SUBMISSION

When Submit has been pressed and all information presented on the form is entered correctly, a message will be displayed on the screen indicating successful submission.

Once the report has been submitted electronically do NOT fax, mail or otherwise submit the SF269 unless FEMA requests that you do so.

4.3 STATUS REPORTS

Once the submission has been accepted it will be displayed under Status Reports. The system will assign a sequential number as the Report Number.

ONLINE HELP

SECTION 6

6.1 ONLINE HELP

Online help is available in the Payment and Reporting System.

Figure 6.1-1 Main Screen

To access the Help anywhere in the system select Help located on the blue bar across the top of the screen.
The Online Help Welcome screen is displayed.

6.1.1 Contents

A Table of Contents is available by clicking on the Contents button.
Welcome

Welcome to the Web-Based SF269 Financial Reporting System, written in the Java programming language and accessible only to authorized personnel. This accompanying online Help will assist you in getting familiar with the Web-Based SF269 Financial Reporting System, commonly shortened in this Help guide to the Financial Reporting System. This version of the Help, dated January 11, 2005, replaces the original Help edition of January 14, 2004, and reflects changes in the log-in procedure.

The Financial Reporting System enables you to view grant information and send the Financial Status Report Form SF269A electronically. You may establish schedules for E-mail notification of expiration of grants, deadlines for reports, creation of reports, and modification of reports. The system facilitates the maintenance of fiscal year and quarter data, report information, and security options.

Figure 6.1-3 Contents

The Table of Contents is displayed down the left side of the screen.

A user drills down by selecting a folder. When the folder is selected additional topics are displayed. Information pertaining to the topic selected is displayed in the right hand box on the screen. Words or phrases typed in color and underscored when selected display a popup 6.1.2 Index

An Index is available by clicking on the Index button.
To limit the search type in the field a word or a string.

Select a topic on the left side of the screen. Information pertaining to the topic selected is displayed in the right hand box on the screen.

6.1.3 Search

The Search capability is available by clicking on the Search button.

Changing Your User Password

The Web-Based SF269 Financial Reporting System allows you to redefine your site user's password after first entering your current password. After this change is effected, you will be required to use this new password when logging in under your site user name.

Select the Main Tab at the top of the page. The Main Module Page is displayed, and a sidebar presents links for you to perform various functions. Click the Change Password option from the sidebar. The Change Password Page is displayed.

To change your user password:

1. Enter your current password in the Old Password field. Your login ID is provided by the system.

ERROR MESSAGES: "The following fields are required: Old Password" — you've neglected to enter your current password.
Mapping User Groups

The Web-Based SF269 Financial Reporting System allows you to assign a user to groups of users for the eventual purpose of assigning permissions to group members, rather than assigning permissions to each user individually, although a group may consist of only one person. This security option associates users with specific groups for this purpose.

Select the **Security** Tab at the top of the page. The Security Module Page is displayed, and a sidebar presents links for you to perform various functions. Click the **User Group Map** option from the sidebar. The User Group Page is displayed.

**To assign a user to groups:**

1. Use the magnifying glass and the search field to select the desired site user.

   **ERROR MESSAGES:** "The following fields are required: Site User" — you’ve neglected to select a site user to be assigned to groups.

2. Select the security group to which you wish the site user to be added from the Available Selections box and click the **Add** button.

Type in the word(s) to search for then press **Go**.

A list of topics will be displayed that pertain to the search criteria.

Select the topic.

**6.1.4 Popup**

For viewing pop-up definitions of terms used throughout the Help or for jumping to a related section, click on the words or phrases typed in color and underscored with a solid line.
When a words or phrases typed in color is selected a popup is displayed. To get out of the popup click outside of the popup box.
7 PASSWORDS

SECTION 7

7.1 PASSWORDS

Passwords are set to expire every 90 days.

The user will be notified starting seven (7) days prior to expiration of their password.

A message is displayed in red across the top of the screen informing the user that their password will expire in X amount of days. This notification will be displayed every time a user signs into the system beginning seven (7) days prior to expiration.

Passwords must be between 8 and 15 characters and contain at least one lower case letter, at least one upper case letter, at least one number and at least one special character.
