NARRATOR

The Port of Baltimore is Maryland’s gateway to the world. It provides large and small Maryland businesses ready-access to international markets.

Nearly 120,000 jobs in Maryland are linked to the Port. Jobs with trucking companies, railroads, distribution centers, hospitals, restaurants, and MORE!

Keeping the Port competitive and maintaining its infrastructure and environment will guarantee all those jobs stay in Maryland.

This message brought to you by the private industry’s Steamship Trade Association of Baltimore and its member companies.
