Emergency Management

Mitigation
Preparedness
Response
Recovery
Preparation

• Plans
  – Standard Operating Procedures
  – Emergency Plans
  – Supply Source Lists
  – Recovery Plans
    • Short Term
    • Long Term
OUR DISASTER RECOVERY PLAN GOES SOMETHING LIKE THIS...

SOMEDAY WE HOPE TO HAVE A BUDGET.
Response

• Incident Management
• COOP & COG
• Logistical Support
• Public Information
• Tenant Assistance
Recovery

• Continuity of Operations
  – For Port Management
  – For Port Tenants
  – For Port Suppliers
  – For Port Customers
  – For Port Community
Mitigation

• Steps taken to reduce the impact of a disaster, attack or stoppage on port clients, customers and the port community
Where Do We Want To Be

*Preparedness*

- Peer Review
- Tabletop Team
Where Do We Want To Be

Training & Best Practices

• Port Security Manual
  Crisis Management Chapter
  – Last updated February 2004

• On-Line Access to Best Practices
  – Lessons Learned from past Incidents
Where Do We Want To Be

**IMT Support**

- Develop a “Go-Team” of Port Security and Emergency Management Leaders
- Render assistance and overhead support to AAPA members following a disaster
  - Not just from Security Committee
  - Include support from
    - Port Operations
    - Public Information
    - Technical Specialists
